Docket No. 98N-12651 576 '99 MAR 24 P1:56
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: My Compound prescription
through Madison Pharmacy to relieve
my Hormonal-menopausal symptoms has
given me back my "real self" where
local pharmacies in my small town
are unable to customize prescription
to fit + meet my health needs!
